

## **The CCL Event Licence**

**The CCL Event Licence** is designed for one-time events of short duration, such as seminars, conferences, rallies, weddings, funerals, and so on.

Because the CCL Event Licence is for a shorter period of time, the Licence Fee is discounted from the Church Copyright Licence Annual Fee. To support Christian youth work we have reduced the event licence for youth events even further (see prices below).

**The Event Licence is the same as the Church Copyright Licence (CCL), with the following conditions:**

1. The event will run for no more than fourteen consecutive days.
2. Every song reproduced under the Event Licence must be reported, and every Event Licensee must report.
3. CCLI will automatically terminate the Event Licence at the end of the fourteen day period.

**Here is a summary of what you have the freedom to do as an Event Copyright Licence Holder:**

1. Create overhead transparencies, slides,
2. Store and retrieve songs electronically where songs are visually projected, such as computer graphics and projection.
3. Print songs and hymns in bulletins, programs, liturgies and song sheets.
4. Create your own customised song-collections or hymnals.

The quantity of copies allowed should not exceed the maximum number of your "Event size" category.

**The Event Licence does NOT allow you to:**

1. Photocopy or duplicate octavos, cantatas, musicals, handbell music, keyboard arrangements, vocal scores, orchestrations or other instrumental works.
2. Translate songs from English into another language. This can only be done with the approval of the respective publisher.
3. Rent, sell or lend copies made under the Licence to groups outside the church or to other churches.
4. Assign or transfer the Licence to another church or group without CCLI's approval.

All terms are in effect only when the Licence is active.
